DIRECTIONS

• This Plan of Study (plan) is used as a worksheet during initial registration and every subsequent semester to determine minimum requirements and progress toward completing the degree. A preliminary plan is developed and submitted to the advisor by the end of the sophomore year (or equivalent time for transfer students).

• A final plan must be approved by advisor and the department head, and submitted to the Degree Auditor in the Registrars Office (1st floor, Wilbur Cross Building) no later than the end of the tenth week of classes of the semester prior to the anticipated semester of graduation.

• Students must complete all major and general education course requirements and earn:
  At least 120 credits toward the degree
  At least a 2.0 Cumulative Grade Point Average (CGPA)
  At least a 2.0 Grade Point Average for ALL courses listed in the 36 Credit Requirement

• University of Connecticut General Education Requirements (GER), are outlined in the Academic Regulations section of the Undergraduate Catalog. Only approved courses may be used to meet requirements.

• Students should use their Academic Requirements Report (accessible in Student Admin) along with the Plan of Study to view their graduation requirements and assess status toward degree. Students must be attentive to credit restrictions (repeated courses, out of sequence classes, etc.). Courses taken Pass/Fail may NOT be used to meet any requirements.

STUDENT AND DEGREE INFORMATION

Must be filed out complete on your final plan of study. Select One: □ Preliminary Plan □ Final Plan

Name: ________________________ ________________________ ________________________ Student I.D.: ________________________

First Middle Last

Phone #: ________________________ Email Address: ________________________

Current Address: ________________________ Street City/Town State Zip Code

Month and Year of Anticipated Graduation: □ May □ August □ December Year: ________________________

Are you pursuing a double major in CAHNR: □Yes □ No If YES, submit Double Major Attachment with final plans of study

Please list below any minors that you plan to earn and submit a final minor plan of study with your final major plan of study.

________________________________________________________________________

At the completion of semester you intend to graduate, will you have earned 120 or more credits? □Yes □ No

APPROVAL SIGNATURES

Department Head’s Signature

________________________________________________________________________ Date

The final plan of study must be submitted to the Registrar’s Office in the Wilbur Cross Building. Please remember to keep a copy of the plan for your records.
# PART I: GENERAL EDUCATION REQUIREMENTS (GER)

Courses approved to meet GER are outlined in the Academic Regulations section of the *Undergraduate Catalog*.

Courses in Content Areas 1-3 must be in 6 different departments.
One course from Content Area 4 may be used to fulfill a requirement in Content Areas 1-3.

**Writing Competency:** Students must pass NRE 4000W for required 2000-level or above course approved by major.

**Computer Technology Competency:** Students must pass NRE 4000W.

**Information Literacy Competency:** Students must pass NRE 4000W.

In addition, all students majoring in Environmental Sciences must declare and fulfill the requirements of a concentration in a discipline associated with the program before graduation. A minimum of 24-credits is required within a declared concentration. Approved concentrations are listed on the following pages.
SUSTAINABLE SYSTEMS CONCENTRATION

Students must complete at least two courses from each of the following Knowledge Competencies. The same course cannot be used to fulfill more than one knowledge competency.

Each student is required to successfully complete at least 36 credits of courses that are numbered 2000-level or above in or relating to their major. These courses may also be used to meet other requirements. This group of courses must:

1. Total not less than 36 credits
2. Be numbered 2000 or above
3. Be approved by student’s advisor and department head
4. Be taken at the University of Connecticut
5. Include two or more departments
6. Include at least 15 credits from departments in the College of Agriculture, Health and Natural Resources
7. Have a combined Grade Point Average of at least 2.0
8. Not include more than 6 credits (combined) of Independent Study, Internship, or Field Studies (if included, these courses must be taken at the University of Connecticut)
9. Not be taken on Pass/ Fail (P@ / F@)
10. Not include more than 6 credits of Satisfactory/Unsatisfactory (S/U) coursework

Credits from departments in CAHNR (15 required): ________________

(CAHNR subject codes include AGNR, AH, ANSC, ARE, DGS, DIET, ENVS, EVST, HORT, KINS, LAND, MLSC, NRE, NUSC, PLSC, PATH, SOIL, SPSS, TURF)

Total Credits in 36 credit group: ________________

Courses taken on Pass/Fail may NOT be used to meet any requirements.

Residence Requirement. It is expected that advanced course work in the major will be completed at the University of Connecticut. However, students may be eligible to use up-to six credits from other institutions in the 36-credit group if approved by their advisor and department head. These credits must be identified as courses comparable to specific University of Connecticut courses and cannot include internships, special topics, or non-specific discipline credits. Transfer students must complete at least 30 credits of 2000-level or higher course work at the University of Connecticut, including at least 15 credits in College of Agriculture, Health and Natural Resources courses.
