SPSS 3840	Integrated Pest Management	3	_____	_____

- At least 12 credits must not duplicate courses used to satisfy the 36 credit requirement for the student's major, or in other minors in the College of Agriculture, Health and Natural Resources.
- Students must earn a combined grade point average of 2.5 or higher for all courses listed above.
- Students must complete all requirements for a baccalaureate degree. Once the minor has been declared, it will appear on the student's transcript.

MINOR ADVISOR: For more information on the minor, approval signature to declare the minor, or approval signature on the final Plan of Study for the minor, please contact Dr. Jessica Lubell at Jessica.Lubell@uconn.edu or 860-486-2924.

DECLARATION PROCEDURES: It is strongly encouraged that students meet with the minor advisor before declaring the minor. Students may declare the minor by either 1) submitting this form to CAHNR Academic Programs (Young 206), or 2) online at ppc.uconn.edu. The semester before graduation, students may submit their minor final plan of study online or by submitting this form to the Registrar.

FINAL PLAN PROCEDURES: Students who plan to graduate with a minor in Ornamental Horticulture must complete the requirements as outlined above and submit a copy of this form to the Registrar along with their final Plan of Study for their major or submit a final plan of study through [Student Admin](#).

APPROVAL: Please check the appropriate box/es below:

- Declaration: Student has discussed minor requirements with minor advisor.
- Final Plan: Student has met with advisor and confirmed that all requirements for this minor have been completed, or will be completed, in order to be eligible for a minor in Ornamental Horticulture upon graduation.
